

ELC-PNG National Synods

The ELC-PNG National synod is the highest decision making body of the Church. It is much similar as a parliament session of the National government. Each of the 17 Districts of the church has delegates who voice the concern of the districts at the synod. The Districts presidents are the automatic delegates in the synod one other member of the district council. Only the delegates are allowed to vote and move resolutions. Delegates does not involve any department heads any administrative staff of the Church. The Chairman of the Synod is the Head Bishop, the Assistant Bishop is the 2nd Chairman and a third Chairman is elected by the floor on the first day of the Synod.
